

Did You Know?

Endometriosis may be found in 24% to 50% of women who experience infertility and in more than 20% who have chronic pelvic pain.

Purpose of #HerYellowRibbon

- 🎗️ **To promote** awareness of the chronic illness, through literature, public awareness events, and social media outlets.
- 🎗️ **To promote** annual Gynecologic visits and examinations.
- 🎗️ **To promote** a healthy lifestyle for those living with the condition, and their loved ones.
- 🎗️ **To provide support** for Cherrelle and other women who suffer from Endometriosis
