

The Heart of Tabitha Foundation

Endometriosis Awareness!

March was Endometriosis Awareness month. This was a very special project for the Heart of Tabitha as our new program “HerYellowRibbon.org” was called to action to promote awareness.

On Friday, March 27 – we hosted the **1st Annual EndoSocial** in honor of Endometriosis Awareness Month! This event was a kick-off night for the **2nd Annual Worldwide Endometriosis Awareness Walk on Washington!** The event was hosted by our very own President, Cherrelle & her #EndoSister and fellow advocate, Ms. April Kendall of endoNme.com. The EndoSocial featured motivational speakers, including our Miss Maryland USA 2014, Shenetta Malkia. The event was sold out and the house was packed!
(More photos are on the way!)
